

Dear family, brothers and sisters in Christ,

Greetings from Calgary, Canada! We just celebrated Easter with assurance that Jesus' sacrifice and resurrection brought human hope and new life. For God so loved the world that He gave His only begotten Son, whoever believes in Him will have eternal life.

April is also the New Year for the Cambodian people. It is the time for the families to gather to celebrate and to welcome a new angel for this year. Most of the members of Livingstone Church left Phnom Penh to go back to their homeland. Our staff took this opportunity to do an outreach program in Takeo province where Udom's family is from. His parents, sisters and family members usually do outreach there two times each year. It was well received with 220 adults attending and 90% of them received Jesus as their personal Savior. Also, there were 110 children who learned about the Bible stories. We praise God for the work that has started there.

We're thankful for the warmer weather so that we can walk around our neighborhood and work on the yard. Praise God for good health and strength to help in the house and keep contact with the staff in Livingstone Church in Cambodia for prayers and young people for Bible study. We are grateful for your prayers and support for us. Please continue to pray for us and our Livingstone Church.

Praise and prayer items:

- The outreach program at the village where many people and children have heard the gospel, and many raised their hands to receive Jesus into their hearts.
- Pray for the follow up of the new Christians that they will stand firm in their faith and to share their beliefs.
- For the sister of Phalla, our Khmer staff, Polly that she will come back to God. She was baptized into Christ's family. But she turned away from God, stopped studying the Bible with her brother, Phalla.
- For the spiritual growth of our young people that they are zealous to read the word of God and pray. Two of them, Joseph and Ponleu, are still meeting Joe and Liza for Bible study.
- For sending more workers and teachers who teach the Bible and Chinese at our church and in Takeo.
- For Seng Hour, he will go for surgery to remove the lump on his neck. Pray that God will heal him!

Thank you so much for your prayers and support!

In His name,
Joseph and Liza Ng
