

Dear family, brothers and sisters in Christ,

Greetings from Calgary, Canada! It's very cold here but our hearts are filled with joy and warmth with the thought that Christmas is around the corner. About 2000 years ago Jesus Christ, our Savior was born to bring peace and hope to this world. When we look around the world there are wars, earthquakes, flooding and fires people are hopeless and miserable. However, when we trust in Jesus, we can experience joy amid all these. ***"But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord." (Luke 2:10, 11)***

Let us pause among the busyness during this Christmas season to reflect on the love of God who sacrificed His own Son to the world so that whoever believes in Jesus will have eternal life! For most people this life is short and painful, but we have hope and peace in Christ.

We are grateful to have you who uphold us in prayer to enhance the ministry of God, and to support in different ways. Please continue to praise God and pray for us.
