Prayer Letter (101)
June 2026

Dear family, brothers and sisters in Christ,

Time goes so fast; the year 2026 is halfway through! Recently we learned a lot of friends and loved ones either had life threatening illnesses or deaths. It's so sad to know! That makes us think about our own lives. We listened to a pastor who talked about what kind of legacy we would leave behind when we leave this earth. Not our inheritance, riches and power matter to our children and generations to come but it's the legacy of Christ's love and how we practice our faith matters to our loved ones and the people around us. May God strengthen us, and the Holy Spirit guide us in living for Him.

We are blessed and grateful to all of you who support our work in Cambodia through care, financial offering and prayers. Please continue to praise God for all the things He has done and pray for our needs.

Praise God for:

- There are 5 teenagers attending the program on Saturday at the Livingstone church.
- Teacher Gao is encouraged by the lessons learned from online theology classes to apply to her work. Even though she is busy with many responsibilities and studies, she can rest and sleep very well.
- Udom, our part time pastor, welcomes their baby girl in May. Their elder son has improved his study at school.

Pray for:

- The outreach work for Takeo: worship for adults and Sunday school for children have started, when and where to build a meeting place, financial and help support.
- The staff and speakers who proclaim the word of God can speak with His power and clarity; lives will come closer to Jesus.
- For the salvation of Liza's sister who came to visit her son and family from China. We spent a day in a park walking and chatting. We were able to share the gospel with her.

Thank you for praying. Drop us a note on your life and prayer requests so that we can pray for you.

In Him,
Joseph and Liza Ng
